

Life Group Child Care Assistance

At CityChurch, we value community and strive for all to be able to be a part of a Life Group. We believe Life Groups are an essential part of our spiritual growth and we want to make every effort to support and help all to be able to be part of a group.

We recognize that this is sometimes especially hard for our younger families and the season of life with young kids. While we encourage Life Groups to include children in their gatherings, we also realize it is sometimes just best for them to be cared for by a babysitter, either on site or in their own homes. Therefore, CityChurch wants to partner with parents who need assistance in the cost of child care.

For assistance in the cost of child care, please fill out the following form:

Name:

LifeGroup you attend:

Children needing child care (please include ages)

How many hours do you need care? _____

How many weeks do you need assistance? _____

How much does your baby sitter charge? _____

How much are you able to pay your baby sitter? _____

Briefly explain why you are asking for financial assistance:
